1 Get comfortable with a neutral colour palette in the bedroom. This pure linen buttoned bedhead captures the style and grace of classic French decor. Prices start from \$560 for a single bed size, from Lavender Hill Interiors. 2 Having collections and clusters of much-loved items on display bring a sense of warmth and welcoming to a home. In this case, it's the beautiful items of Chinoiserie around this house. With some fresh flowers in place, this oriental ceramic urn is brought to life. \$145 from iDecorate. 3 Versatile and screen printed on 100 per cent linen, this Cecile linen throw can be used as a light-weight blanket, table cloth or picnic rug. \$159 from Kate & Kate. 4 Complete a welcoming hallway display with this set of two Nicholas lanterns, \$369.95 from Amalfi. 5 Bring the blue and white colour scheme to the dinner table too, with these items from this Elsie dinner set, \$12-\$14 from Pottery Barn.

make it personal

The combination of a white colour scheme with blue accents creates an air of refinement in this bright and spacious home.

1 At the centre of this simple yet refined living space is the classic off-white sofa. Get the looks with this comfort upholstered sofa, \$3249 from Pottery Barn. Add a slipcover for easy cleaning and you'll enjoy the light, neutral colour for years to come. 2 Complement the simplicity of a classic off-white sofa with the plush luxury of this Saville Row velvet ottoman with black lacquered timber legs, \$495 from Alliance Furniture Trading. 3 Anchor the bright and airy whites and powder blues of the room with some dark timbers. We like the sleek, clean lines of this Oakland console table, \$549.95 from Amalfi. 4 Fly with the colour scheme and incorporate some interesting prints while you're at it with this 'Birds of Paradise' denim pillowcase, \$49.95 from Florence Broadhurst. 5 With deep-buttoned upholstery and high armrests, this Abel linen armchair creates an inviting and comfortable addition to a timeless living space. \$549 from Zanui. 6 White doesn't have to be boring – turn up the texture in the bathroom with some 'New Bright White Lattice' from Pressed Tin Panels.
