

make it personal

Create a home with personality by adding a few statement pieces to a gorgeous cottage classic.

1 Not all tea time treats are sugary indulgences. Celebrate colour and feminine pink posies with this Friendship teacup and saucer from the Miranda Kerr for Royal Albert collection, \$64.95 from Zanui. 2 Flowers look best when they're freshly cut and dewy from the garden but this artificial traditional mix bouquet will stay beautiful forever. \$24.95 from Rogue. 3 This stunning Princess Crystal chandelier lights the way to classic charm in the dining room. £99 from UK-based The French Bedroom Co. 4 Take some style notes from the ancient Greeks with this Diana bust, £115 from The French Bedroom Co. 5 There will be room for gatherings big and small around this Maison dining table made from reclaimed elm. \$3326 from Vavoom Emporium. 6 The easy elegance of this rattan back linen dining chair is all in the details. Featuring a solid oak frame with tapered fluted legs, this chair is upholstered in pure linen with a double-piped trim. \$315 from Lavender Hill Interiors.
