Soft spot

Green is the great all-rounder in interiors and we're loving this cushion in fresh, emerald hues. The Meadow cushion, with a different design on each side, is \$79.

Clean & green

Keep your home clean and environmentally friendly with this swanky new range of cleaning products. The Organic Choice range is plant based and readily biodegradable, as well as palm-oil free, surface safe and non toxic. It's available from Coles. Choose from dishwashing liquids, air fresheners, candles and household cleaners.
