

**This week's must-haves
for your decor wish list**

**Bold
fashioned**

The homespun texture of this fabulous cushion gives it a handcrafted retro feel that's popular today. The Hicks Woven cushion cover definitely has winter snuggle appeal. It's \$89.90.

**Return
to form**

Simple and stylish, this wall-mounted dryer is perfect for the kitchen. It's crafted from beech wood, with long, adjustable drying arms. The minimalist Vintage-style wall dryer (\$97) is inspired by American vintage design to give the kitchen a dash of old-world charm.

**Taking
shape**

Plants are an instant pick-me-up and we're loving the range of gorgeous planters on offer. Check out the contemporary flair of this fibreglass pot with its bold geometric design. The Tee Pot in powder blue comes in three sizes, starting at \$90 for a small.
